

Inquiries about Library Patrons

All inquiries about student contact information will be directed to Student Affairs. Inquiries about faculty contact information can be answered with their William Jewell contact information. Faculty and staff home contact information will not be given out. Inquiries about non-Jewell patron information will not be given out.

All inquiries about items checked out by a specific library patron, either currently or in the past, will not be answered without appropriate legal process (see Section 3.8 Confidentiality of Library Records).

Inquiries about Library Employees

Inquiries about library employee contact information can be answered with their William Jewell contact information. Library employee home contact information will not be given out.
